

I will explain to you...my friend!  
During the first sessions I tried to set my mind in order to understand the concepts of creating scenarios, their importance and their utility.

In 1960s Shell developed a technique called Scenario Planning. It is not a forecast...Pierre Wack came up with plausible ideas of the future...HUMM!!! i DON'T KNOW if i believe...

[T Works!!!!!!!  
It was proved to be an important tool after Shell have successfully predicted two Oil crisis!!!

There is no a single formula which can teach us to create good scenarios. Practice is the best way to slowly improve our skills and never forget: Keep your mind open!

I WILL GIVE YOU SOME TOOLS...Ladies and gentlemen!  
- And here we come with focal question...interviews...driving forces. (do you understand them? yeah right!)...what about uncertainties??? system of thinking...THAT'S BS!!!...Really???

Learning the skills!!!

Scenario Thinking?????...Excuse me!!!...WHAT????

LEARNING MAP...REALLY????

EUROPE 2030!!!!

They ARE plausible!

We ARE getting there!!!!

\* We have now 3 Scenarios...

Creating stories...

What are our scenarios???  
- Blame Game, New Beginning and Gilded Cage...enjoy!!!!

Understanding the system! - Environment, Politics, Immigration, Economy, society, credit crisis, racism...What if???? What else??? Are they related???? ...I need to smoke some wee\*#\* to understand this  
Shi%\*...

#s That matters!!!!  
- Hey...Sri...It killed our 4th Scenario!!!!  
- WHATEVER!!!!

Create scenario...try scenario!...????...!!!!...????...#%\$&\*...

Building Scenarios!

Let's Choose the Topic

OH MY GOD!!!

The Future of Europe!!!!!!!  
!!!!!!Hoera :) !!!!

Now it is time to come up with some Questions!!!!

Hey dude!!! We have 1 million questions to answer...are you sure????? Let's reduce...No!!! we can do it!!!!

Drive What????  
Driving Forces Stupid...READ THE BOOK!!!!

- Hey Gudmundur, I read the book! "Driving forces are a number of critical influences behind the uncertainties in the landscape"!!!! ;)  
- Very good! Now we have to find the driving forces for FUTURE OF EUROPE!!!!  
- Puta Madre!!! I didn't see that coming!

Fight TIME!!!!  
Systems of Thinking...

-It doesn't make any sense!  
-Does it?  
-It does...it does not...  
- Mauricio...what do you think???  
- I have no clue...let's ask Professor Daniel...  
- He doesn't answer our e-mail...  
- what are we gonna do??? Sameer...what do you think????...puft!  
- FUDEU!
